SEVENTH YEAR.

MAYSVILLE, KY., MONDAY, AUGUST 29, 1898.

ONE CENT.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

To have our best lines in all our departments come in the middle of August. In a few days many of our young friends will resume their studies—some at home, others in foreign educational institutes. It has always been our pride to send the boys well dressed. No matter what town or city they go to Hechinger's clothes wearers are the proper dressed youngsters. For this fall we made greater efforts than ever to supply ourselves, and consequently you, with the noblest clothing that fashion subscribes. Our fall suits and overcoats are the highest types of merchant tailoring art. Our stock represents the production of the acknowledged leading houses in the country. Our line of Shirts, Underwear, Hats, Ties, etc., is simply great. If the young miss needs a nice trunk we can supply you.

SHOES.

The results in our Shoe Department, though not a year old, are gratifying to us and fully as much to our shoe patrons. "The most comfortable pair of shoes I've worn for years," is the universal expression of those that wear them. Our \$2, \$2.50 and \$3 Smith & Stoughton French Calf Common Sense Shoes are the best in the market. Every pair we sell is made for us and warranted to give satisfaction. Money refunded if they don't. Our high-class Shoes, such as Vici Kid, Russian Calf, Patent Leather, Cordovan, etc., all of which are specially made for us by the Burt-Packard people, Brockton, Mass., fill the long felt wants in Maysville's shoe trade. We are daily receiving our fall stock in these lines. If your summer shoes are about worn out and you think it late to buy lightweight footwear we can fit you in the coming style of Fall Shoes. Respectfully,

HECHINGER & CO

ANOTHER GOOD WOMAN.

Death at Her Home in This City of Mrs. Catherine Daly.

After a protracted illness of heart trouble, Mrs. Catherine Daly died at her home, No. 370 West Second street, at 6:45 yesterday morning.

She was a native of County Limerick, Ireland, and her maiden name was Bryan.

She was 59 years old in December. Coming to Maysville in 1854, on the 15th of September, 1857, she married Mr. Patrick Daly, who preceded her to the grave a few years ago.

The result of this happy union was eight children.—Mrs. Katie Glenn, Miss Mollie Daly, and Messrs. Daniel, Charles, James, John, Frank and Harry Daly.

James is dead, Charles lives in Cincinnati, but all the rest reside here.

Mrs. Daly was a consistent Christian, a devoted wife and loving mother, and as a neighbor she was kind and sympathetic, beloved by all who knew her.

The funeral will take place from St. Patrick's Church tomorrow morning at 9 o'clock. Requiem Mass will be celebrated by the Rector, Rev. Father A. T. Ennis. Interment at Washington.

BOONE DAY.

To Be Observed By Schools Throughout the State on October 21st.

The Rebecca Bryan Boone Chapter D. A. R. of Covington is making preparations to agitate the celebration of Daniel Boone Day in all the schools throughout the state of Kentucky.

The allotted day is October 22, but as that day this year falls on Saturday, Friday, October 21, has been selected.

Special programs, embracing patriotic songs and recitations, will be rendered by the pupils; also, short talks on Daniel Boone by the teachers.

Collections will be taken, up and the proceeds used in restoring the Boone Monument in Frankfort, which has been greatly marred and defaced by relic hunters. The committee on reconstruction of the monument consists of Colonel R. T. Derritt of Louisville, Colonel H. F. Farney of Cincinnati and General D. W. Lindsay and E. L. Samuel of Frankfort.

The cost of the work is estimated at \$2,000. First a fence will be placed about the monument to protect it from future injury, and the Italian base-reliefs will be replaced by bronze panels and the rest of the work restored in the original material.
